5 UNITED STATES DISTRICT COURT  
6 WESTERN DISTRICT OF WASHINGTON  
7 AT TACOMA

8 CHRISTINE D. HAUCK,

9 Plaintiff,

v.

10 PHILLIP D. WALKER,

11 Defendant.

CASE NO. C13-5729 BHS

ORDER STRIKING TRIAL,  
DISMISSING COMPLAINT FOR  
FAILURE TO PROSECUTE AND  
FOLLOW COURT ORDERS, AND  
REVOKING PLAINTIFF'S *IN*  
*FORMA PAUPERIS* STATUS

12  
13 This matter comes before the Court on Plaintiff Christine Hauck's failure to  
14 respond to the Court's order to show cause.

15 On May 17, 2018, the Court issued a show cause order regarding Hauck's failure  
16 to participate in pretrial matters, failure to file pretrial materials, and repeated failures to  
17 participate in necessary aspects of the proceeding. Dkt. 126. Upon review of the file,  
18 Hauck has an extensive history of abdicating her legal responsibilities. For example,  
19 Defendant has filed numerous motions requesting either sanctions or dismissal for  
20 Hauck's failure to participate in discovery, including failing to appear for scheduled  
21 depositions on multiple occasions. The Court has also issued orders requiring  
22 cooperation by Hauck or the Court would dismiss her remaining claim. *See* Dkt. 65

1 (order to show cause regarding Hauck's failure to participate in discovery). The Court  
2 appointed an attorney to assist Hauck, which proved fruitful until communications broke  
3 down and the attorney moved to withdraw.

4 In light of this history, the Court provided Hauck one final opportunity to  
5 cooperate before imposing the ultimate sanction. The Court requested a response by May  
6 22, 2018. Dkt. 126. The Court warned Hauck that failure to respond would result in  
7 dismissal of her claims. *Id.* Hauck did not respond. Therefore, the Court **DISMISSES**  
8 Hauck's remaining excessive force claim. The Clerk shall strike the pretrial conference  
9 and the trial date and close this case. Hauck's *in forma pauperis* status is **REVOKED**  
10 for purposes of appeal.

11 **IT IS SO ORDERED.**

12 Dated this 23rd day of May, 2018.
